

NEW JERSEY DEPARTMENT OF TRANSPORTATION

**Proposed Retaining Wall Repairs  
Route 202 South, Sand Spring to Spring Brook Roads  
Morris Township, Morris County**

**Public Information Center  
October 11, 2006 4:30 - 7:30 pm**

The New Jersey Department of Transportation (NJDOT) is committed to developing transportation improvements which best balance transportation needs, community concerns, the environment and cost. One of the most critical elements related to the success of a project is the relationship that NJDOT develops with the community. You are encouraged to actively participate by providing comments at the meeting, by mail, or by e-mail.

**The Meeting**

You are cordially invited to attend a public information center on **Wednesday, October 11, 2006 between 4:30 and 7:30 pm at the Morris Township Municipal Building, 50 Woodland Avenue**. Please come at a time that is convenient for you.

NJDOT representatives will be available to present the plans and answer any questions and record comments you may have.

**The Problem**

Six retaining walls along Route 202 have been identified as being in a serious state of disrepair.

**The Proposed Project**

The project proposes to replace six retaining walls along Route 202.

The walls identified for replacement are located at:

225 Mount Kemble Avenue  
269 Mount Kemble Avenue  
329 Mount Kemble Avenue  
375 Mount Kemble Avenue  
413 Mount Kemble Avenue  
445 Mount Kemble Avenue

The remains of a retaining wall located at 293 Mount Kemble Avenue will be removed and the area will be regraded.

**Estimated Schedule and Cost**

Construction is estimated to start in the spring of 2007. Cost is estimated at \$2 million.
